

Arihant Oil & Chemicals

We are the leading manufacturers, suppliers, exporters & stockist of superior quality reclaim rubbers, reclaiming agents and various other types of rubber. Through our consistent high performance, we have reached the acme of repute & excellence.

Introduction

- We, **Arihant oil & Chemicals** were established in the year 1990 and after spending some glorious years of success & development, today, we have become the acclaimed name in the industry.

We are engaged in manufacturing, supplying and exporting of a wide assortment of superior quality rubber chemicals and rubber products. Our incomparable range of finished products include

Reclaim Rubber, Butyl Reclaim Rubber, White Reclaim Rubber, Reclaiming Agent, Crumb Rubber, CH-Oil, & more.

Main Products

- TIRE RECLAIMED RUBBER
- BUTYL RECLAIMED RUBBER
- WHITE RECLAIMED RUBBER
- CRUMB RUBBER
- RUBBER RECLAIMING AGENT
- CH-OIL

Production Capacity (annually)

- Tyre Reclaim Rubber : 4000 MT
- Butyl Reclaim Rubber : 1500 MT
- Latex Reclaim Rubber : 1200 MT
- Crumb Rubber : 3000 MT
- Reclaiming Agent : 500 MT
- CH-Oil : 100 MT

Tire Reclaimed Rubber

- **SOURCE:** Whole tire scrap
- **APPEARANCE:** Black Colour Sheets
- **APPLICATION:** Tires, automobile moulded parts, hose pipes, mats, conveyor belts, rubber sheets & all other rubber moulded goods.
- **BENEFITS:** Faster mixing, reduce the cost of resultant product as it is used as a substitute of natural rubber, faster mixing.

Butyl Reclaim Rubber

- **SOURCE:** Butyl automobile tubes exclusively
- **APPEARANCE:** Black Colour Sheets
- **APPLICATION:** Automobile tubes, hoses, flaps, cables & all other butyl rubber moulded goods
- **BENEFITS:** Faster mixing, improved extrusion, easy splicing, cost reduction

White Reclaim Rubber

- **SOURCE:** latex hand gloves, nipples, condoms
- **APPEARANCE:** Beige Colour Lumps.
- **APPLICATION:** Footwear, adhesives, automobile parts, mats, rubber sheets & other rubber goods.
- **BENEFITS:** Faster mixing, reduce the cost of resultant product as it is used as a substitute of natural rubber.

Crumb Rubber

- **SOURCE:** Whole tire scrap
- **APPEARANCE:** black colour granules.
- **APPLICATION:** Tires, automobile moulded parts, hose pipes, mats, conveyor belts, rubber sheets & other rubber products.
- **BENEFITS:** prove better filler, reduces, air permeability, reduces compounding costs

Rubber Reclaiming Agent

- **APPLICATION:** Used as a catalyst in Reclaim Rubber manufacturing
- **APPEARANCE:** Dark brown liquid
- **BENEFITS:** The use of our Reclaiming Agent (Di-xylene Di-Sulphide) reduces the autoclave timing to a large extent that too at lower temperature & pressure, which in turn reduces the power consumption, saves fuel intake, reduces process timing, improves efficiency of the rubber reclaiming plant, improves the quality of resultant Reclaim Rubber, Risk of hardening is reduces & further more benefits.

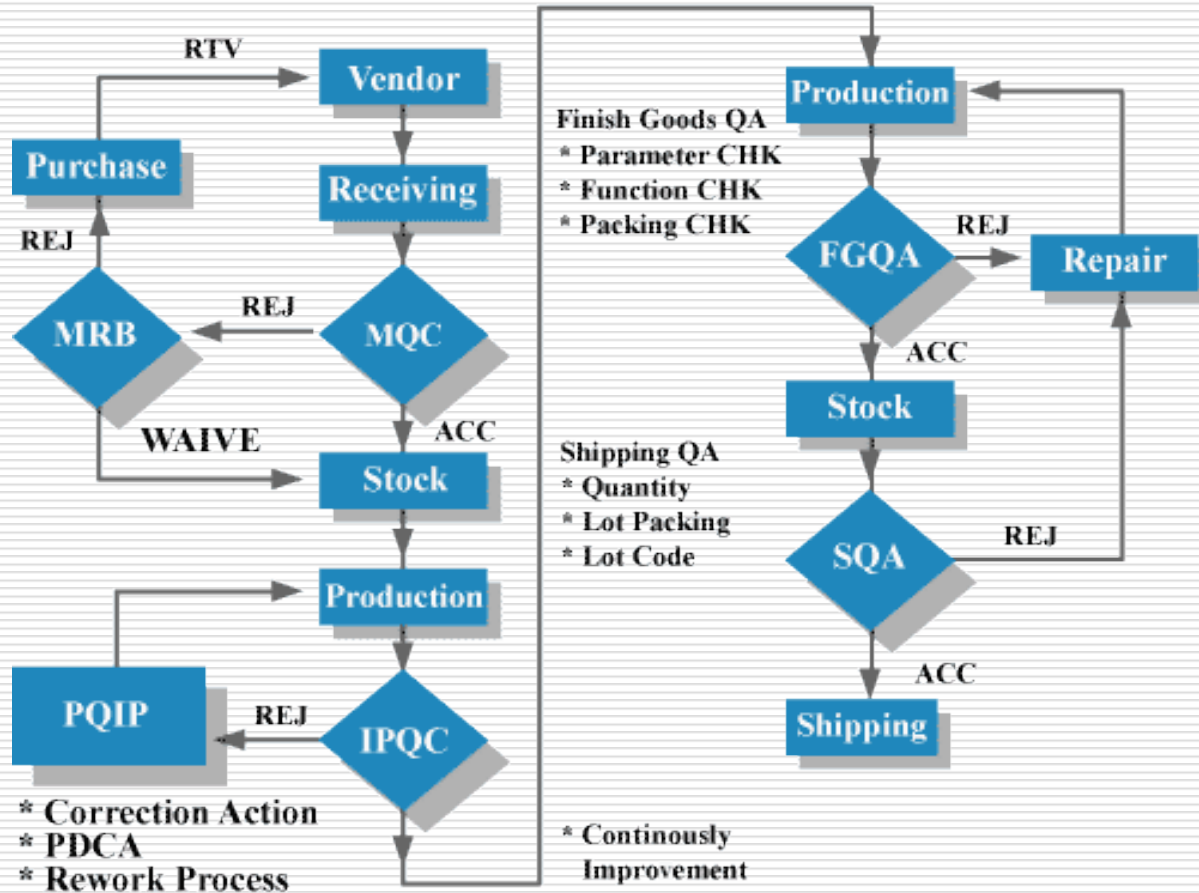

CH-Oil

- **Applications** : Cushion Gum, Reclaim Rubber, Auto Parts & other Rubber products & Rubber Compounds.
- **Benefits** : CH-Oil is a special purpose oil, can be used in any type of rubber products. CH-Oil acts as a Peptiser, Tackifier & Plasticizer; it reduces the smell of Rubber & imparts a nice odor.

Recycle Rubber

Process Control Chart

Testing Parameters :

For RECLAIM RUBBER

Ash Content
Acetone Extract
Carbon Black Content
Volatile Matter
R.H.C. Content
Specific Gravity
Tensile Strenght
Elongation At Break

For RECLAIMING AGENT

Flash Point
Kinematic Viscosity
Sulphur Content
Specific Gravity
pH Value
Boiling Point
Volatile Matter

Storage & Delivery

- We have to store finished, semi-finished and raw materials in bulk. Therefore, to maintain the stock in appropriate manner, we have a capacious warehousing facility along with us. The entire store house is equipped with proper ventilation and lightening facilities. Further, the experienced personnels look after all inventory control activities and ensure fast and hassle-free delivery of the consignments. We have state-of-the-art facility that helps us in placing each lots of raw materials and finished goods in the best possible way.
- Apart from storage facilities, we also have a strong and spread network of delivery. All types of delivery activities are undertaken under the supervision of our experienced and skilled professionals. Leveraging on such a developed delivery network, we are able to deliver our finished products through out the length & breath of the India & abroad.

Our Clients

- Our client base is spread across the world and it has been enhancing rapidly with passage of time. Our products have high demand in different industries including **automobile industry, rubber industry, engineering goods industry and others**. The precious range of our finished products at affordable price range has been developed to effectively meet varied customized as well standard requirements of our industry clients. We are dealing with more than 18 countries worldwide including :

Brazil

China

Ecuador

Egypt

Germany

Iran

Japan

Malaysia

Pakistan

Philippines

Romania

Singapore

South Africa

Switzerland

Taiwan

Thailand

Turkey

USA

Venezuela

Vietnam
